Student || Front-End Developer

Lucknow, Uttar Pradesh

## SUMMARY

I am a student at SRM Institute of Science and Technology, pursuing a BTech in Computer Science. I am seeking an internship to enhance my skills in HTML, CSS, and JavaScript. While I am still developing my skills in this field, I am committed to pushing my limits and learning every day. I am hardworking and eager to grow. My personal abilities, including innovative thinking, creativity, and technical proficiency, can contribute significantly to the implementation of cutting-edge solutions for your esteemed organization.
